

YOUR BOOKSTORE IS MISSING A BOOK...

THE GOBLIN ROAD **By J. Parrish Lewis**

Your bookstore has been enchanted by nefarious creatures who have no interest in their existence being brought out into the light. After all, malicious mischief, random acts of havoc, and wanton destruction are all best kept in the darkness where the pixies and the stone fauns reside. But you, a bookseller, can vanquish their vile ambitions. Get your copies of this book, find them a new home on your store's

shelves for your readers, and drive these creatures out. This is your magic. Be warned, however: Worse things lie in wait than a pixy or two in THE GOBLIN ROAD.
